## *The Program*

The Rotary Club of Milwaukee (RCM) Scholarship program is based in a holistic approach to serving students who have the motivation and drive to seek higher education. In addition to a financial award, scholarship recipients are offered classes to build their study skills prior to enrollment as well as the support of two mentors.

RCM mentors give guidance, career and personal advice, and help in navigating the college experience. They are the program's greatest resource and are committed to building a supportive relationship with their scholars.

The amount of a financial award is determined on an annual basis. Recent awards have ranged from \$2,000 and \$4,500 per year. With satisfactory academic achievement, scholarships may be continued for RCM Scholars throughout their program of study.

## *Guidelines*

There are no specific requirements for academic achievement, but applicants must have achieved a GPA that will qualify them for entry into an appropriate institution or have a record of satisfactory progress toward a post-secondary degree.

Applicants must have demonstrated financial need.

Applicants must fill out the application in full, include letter(s) of reference, and submit an original essay discussing the career direction they are considering and stating how the intended college program will contribute to the attainment of that career objective.

To be eligible, students must be Milwaukee residents.

## *To Apply*

To apply, go to the RCM website ([www.milwaukeeerotary.com](http://www.milwaukeeerotary.com)) and search for RCM Scholarship.

Fill out the application in full and return it to the Rotary Club of Milwaukee at the address below. The deadline for receipt of the application is April 1st.
