What to expect if you attend a meeting in Memorial Hall:

We will do our best to make this comfortable and hospitable but it won't be business as usual. Be assured that we will monitor how these changes work and adjust as we can or as needed.

- Box lunches will begin to be distributed at 11:30am.
- The second bell will ring at noon (rather than 12:15) for consistency with the virtual presentation.
- Requirement to RSVP by 8:00 the previous Friday*
- Maximum of 75 people, 3 per table
- Box lunch
- Masks on when not eating or drinking
- Expectation of maintaining 6 feet of distance while walking in hallways
- Maximum of 3 people in the elevator (if you can walk up the stairs, please do so.)

*Because we don't know how many people to expect, we must provide a lunch count to Saz's by 9:00 on the Friday before the meeting. We will not take attendance at the meeting but will use the RSVP list should we need to alert attendees to a COVID-19 exposure.
